Mindful Leadership – Executive Program for Nevada Department of Transportation (NDOT)

With Bill Kuechler, I have been providing a training program on Mindful Leadership to executives and managers at NDOT (Nevada Department of Transportation) with two (2) four half-day sessions in the Spring and Fall of 2014.

Eagle Picher Minerals Mining Company

I developed and delivered a three session program on “Doing Business in an International Context.” This was a program customized to EP’s needs and was presented to the Executive Team as well as other managers and professionals. The program was well received and considered highly successful.
